

Premium Quality QSR Equipment

Built to perform,
Intelligently designed

www.hotpro.co.in

About Us:

HotPro is a specialized brand dedicated to delivering professionally engineered QSR (Quick Service Restaurant) equipment designed for the Indian market. With deep understanding of India's fast-paced and diverse food service needs, HotPro develops products that combine efficiency, durability, and performance.

Founded in 2011 in Ahmedabad by Mr. Haresh Panchal and Mr. Pravin Panchal, the brand began with a clear vision — to create standardized, high-quality, superior-finish commercial kitchen equipment built for heavy workloads and continuous operations.

Its product range includes ovens, grillers, salamanders, table-top fryers, standing fryers, kadai fryers, food warmers, hot plates, chocolate warmers, pizza warmers, and more.

HotPro empowers QSRs, cafés, food courts, cloud kitchens, and fast-food outlets with equipment designed for:

- **Rugged daily usage**
- **Hygiene-focused premium finish**
- **Consistent performance across outlets**
- **Indian food formats and cooking styles**

Today, HotPro is a trusted name among India's culinary entrepreneurs — committed to innovation, reliability, and the future of the QSR industry.
